Achieved continuous 5 quarters of
revenue growth

During the 12th Annual General Meeting of ViTrox held on 24th June, 2016, ViTrox's CEO, Mr. Chu Jenn Weng announced that ViTrox achieved continuous 5 quarters of growth in revenue since Q1-2015 to Q1-2016. A double-digit revenue growth close to 20% was recorded throughout the quarters. Besides, Mr. Chu also reported that ViTrox has gained a 68.5% increase in revenue in 2016 compared to the same quarter in 2015. It shows the optimistic performance of up to double-digit growth.

On top of that, ViTrox successfully obtained 10 years contract of Pioneer Status from MIDA, effectively from 17th June 2015. ViTrox will enjoy 100% free tax exemptions in all embedded intelligent vision systems.

ViTrox Remains Positive Growth Despite Decline of Smartphone Segment

According to the research arm of Kenanga Investment Bank Bhd (Kenanga Research), global semiconductor sales extended its weakness with decreases of one per cent sequentially and 6.2 per cent y-o-y in April.

However, Kenanga Research observed that one of the equipment manufacturers that the research arm covered in its retail segment, Vitrox Corporation Bhd (Vitrox), is seeing exceptional strong sales with demand driven from both new and existing semiconductor players in Taiwan and China amid the ramp up of Chinese smartphones.
